CHS Faculty & Students Meeting Their Challenges

by Jenni Bond '66 and Stephen Gin '83

As with all public schools, the challenges continue for Catalina High during this time of pandemic.

One of the challenges facing CHS is that the student body is very fluid. For example, 114 new students were enrolled over 90 days and 149 students withdrew. This is hard on the school and its administration, but characteristic of a very transient population. As we go to press, 570 students, representing 34 countries, are Trojans. CHS enrolled new students from Afghanistan at the beginning of the year, and more are coming. The number of Youth On Their Own (YOTO) students attending CHS has grown to 31, and Catalina Online YOTO students total eight. Forty are in DCS (group homes). The largest class is the freshman, which has many more young men than women.

Despite having 98 teachers and staff, the school has open positions—a Security Monitor and a dedicated Exceptional Ed Teacher. CHS lost a Science Teacher and a Librarian at the end of last semester, along with Psychology Teacher Jonathan Levy. However, there is good news for the band—Antonio Heredia, a new, young and enthusiastic Band Director, started in January. CHS received COVID funds for a Social or Emotional Needs Instructor, but had no applicants. So, the administration closed the job opportunity and used the funds to buy

enough substitute teachers available, faculty is scrambling to cover classes.

Despite these challenges, the students and faculty are hanging in there and overcoming obstacles. With barely enough students to field complete teams, our Trojan athletes are showing real tenacity and spirit—some exhausting themselves to play entire games without relief.

The AVID program sponsored a fun “Trunk or Treat” family event right before Halloween and invited not only all the Catalina families, but also those of feeder schools, such as Doolen Jr. High and Blenman Elementary to attend! Each of the CHS departments provided information about their subjects and each handed out candy, as did the CHS Foundation. Such

events are a good way to get families interested in attending Catalina.

To promote taking the FASFA financial application, FASFA Fridays have been scheduled, and 64% of the seniors have completed the FASFA application. College Week activities have been scheduled,

FALL 2021 SOCIAL

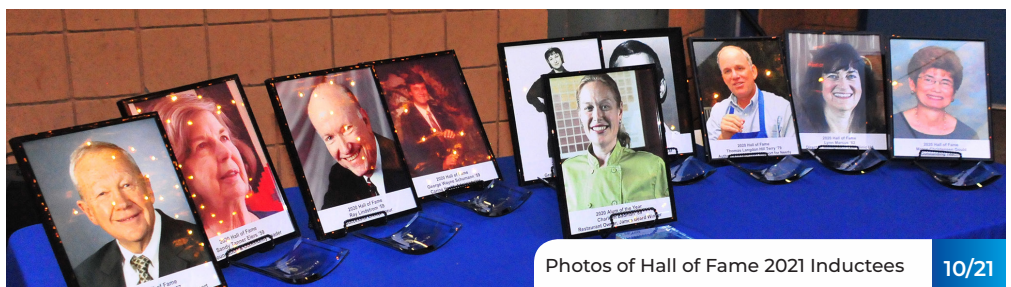

by Emily Kittle Morrison, '60

If you ever cheered on a Trojan team at the biggest basketball venue in Tucson, or attended an entertainment event there like Victor Borge, you remember the vast space of the court floor. Well, fast-forward to the 21st century, and from Pima Street, you'll see the big, new Mary Hines Gym...and find the old gym is now an open air space surrounded by science classrooms. On that former floor is an amphitheater that was used for

seating at the 2021 Annual CHSF Social; and the area around it for visiting. Ten outstanding graduates were recognized on the presentation floor—as inductees into the Trojan Hall of Fame: Bill Gaylord '57, Sandy Tanner Elers '58, Ray Lindstrom '59, G. Wayne Schumann '59, Thelma Taylor '59, Barry Headricks '65, Thomas L.H. Terry '79, Lynn Marcus '82, Marge C. Gould (Teacher). Grads from many classes were treated to tasty appetizers created and served by students of the Culinary Arts program. Also, Charleen Badman '87, Alum of the Year and James Beard Award recipient, was introduced; and Liz Wheeler Whitaker '60 and Marylyn Schumann Tobey '57 were selected as Volunteers of the Year.

Several classes scheduled their reunions to coincide with this event. The Class of 1970 used their 50th reunion as a time to promote the idea generated by Kathy Peters '70 of donating to the Foundation “in memory” of a classmate. A huge cardboard check was accepted by Co-President, Stephen Gin '83. The amount has grown to \$16,239.25 as shown in the article about the Class of '70 donation. It was a very special evening enjoyed by about 75 alumni and family members. The fall social is a once-a-year opportunity to connect with old friends, meet new alums, and formally recognize individuals who made a difference in their lives and those of others.

Hall of Fame Nominations

by Liz Wheeler Whitaker '60

At the Fall Social and Annual Meeting, 9 people were inducted into the Trojan Hall of Fame, and we honored Charleen Badman, Owner and Chef at FnB Restaurant in Scottsdale as our Alum of the Year.

The Alum of the Year is chosen by the Foundation Board from nominations to the Trojan Hall of Fame.

Now we're ready to consider nominations for 2022! Think about people who have been special contributors to Catalina and their communities. Nominees should be an alum of Catalina, an administrator, faculty or staff, a volunteer, an involved parent, a donor, or a Foundation Member. Nominators should be a member of the Catalina High School Foundation. Criteria for nominees include: significant contributions to Catalina High School or the community, distinguished achievement in their chosen profession and demonstration of leadership. Nominees must also have had an association with Catalina, be out of school for 5 years or retired for 2 years.

To nominate a deserving person, please go to [CatalinaHighSchoolFoundation.org](https://www.catalinahighschoolfoundation.org) and click on "Foundation Efforts" and then choose "Hall of Fame". You will see the requirements for nominations and the link to the Nomination Form (in red). Please consider nominating someone you know who deserves the Trojan Hall of Fame honor.

CHS Faculty & Students continued from page 1

including a door decorating challenge promoting various colleges. So far, 59% of the seniors have completed at least one college application and 51% have been accepted to a college or university.

Also, a new College and Career Center has opened, equipped with 30 iPads and several large screen projectors. This provides a nice venue for visiting college presentations. The Foundation funded a weekly program of Lunch 'N Learn workshops, designed and organized by two college advisor interns from the University of Arizona. They will educate students on the opportunities and resources available post-graduation. These workshops are aimed at increasing the number of Catalina students pursuing secondary education and/or preparing them for the workforce. They also will teach students stress relief strategies and everyday skills, such as financial literacy and life planning, which are not included in the regular high school curriculum.

In addition, Catalina has two great programs to teach workforce skills. One is the construction skills, which provides CHS students the training equivalent of first-year apprentice programs in carpentry, electrical, masonry, plumbing and sheet metal. The other is Culinary Arts, which provides cooking skills that can be used in restaurants or catering opportunities. Catalina is expanding and upgrading its outdated kitchen areas.

Alumni can get state tax credits for donations to each of these programs as well as others at Catalina up until April 15, 2022. For example, a donation to the culinary arts can provide costs of food for students to learn to prepare various menus. Married couples filing jointly can contribute up to \$400, and individuals can contribute up to \$200. Of course, we also encourage donations to our Catalina High School Foundation, which count as charitable donations on your taxes.

Please notify your classmates that the ONLY authentic Alumni group AFFILIATED with Catalina is the CHS Foundation site ([catalinahighschoolfoundation.org](https://www.catalinahighschoolfoundation.org)) and [FaceBook link](#). People are registering with other FB pages that presume to be connected, and if money is sent it does NOT go to help Catalina but rather the commercial sites.

"Trunk or Treat" Event

10/21

TAX CREDITS

If you are an Arizona resident paying income tax to the state, you can direct \$200 per person or \$400 per couple to Catalina. Send your check to CHS, 3645 E Pima, Tucson AZ 85716. Put Public school tax credit on the 'for' line. You can direct your tax credit to various areas at CHS (sports, music, general). You will get a receipt.

This receipt will be needed at the time you do next year's taxes when the credit will be applied to your state income tax. Other tax credits may be available.

See <https://azdor.gov/tax-credits>.

'70 Alumni Give Generously

by Sandy Elers '58

The pandemic may have delayed
the Class of 1970's 50th reunion,
but it didn't diminish the fun
filled weekend or the incredible
generosity of the 1970 alums.

Kathy Peters, our CHSF Director
of Development, suggested to
her fellow reunion committee
members that they make the
reunion more than just getting
together with former classmates,
but to honor the memory of
deceased classmates by giving
donations to CHSF. The entire
committee, Jim Franks, Kathy
Peters, John Francis, Kathy Varney
Martin, Kathy Coady Holt, Jack
Grant, Carol Borrer Bell, Jackie
Chesher Mashburn, Diane Naugle
Carson, Terry Carson, Judy Nelson
Wingert, and Ellen Vernick Schartz
embraced the idea. Jim Franks,

who was the class communicator, used
email, snail mail, and the web site to keep
the “Honoring the past, helping the future”
message alive. Classmates who weren't able
to attend joined in, and the Class of 1970
donated an amazing \$16,239.25 to Catalina
High School Foundation. CHSF welcomes
the 72 new members!

The Class of 1970 challenges all classes
to match their donation! For more
information email Kathy Peters at
alchemistkp7@aol.com.

The Foundation Donated \$8,414 in Mini-Grants to Catalina Programs

by Jennifer Bond '66

The return to in-person schooling this fall meant that Catalina faculty, students, and staff had many more needs. The Foundation was happy to provide the following mini-grants:

Lunch 'N Learn Workshops—Jenny Miranda, \$500. These workshops held once a week through May will educate students on the opportunities and resources that are available for post-graduation from high school. They will also provide guidance on such topics as how best to interview, and financial planning,

College Week Activities—Ruth Mann, \$500. to fund an AVID classroom door decorating contest, and college week tail gate activities, including gift cards.

Quizlet Software—Robin Farias, \$191.52 for a year's membership access for five English Language Development Teachers, and the Spanish Department to use Quizlet software to enhance students' vocabulary.

Two Soccer Mini-grants—Tim Bridges, \$425. each to cover the fee for the CHS boys' soccer team and the CHS girls' soccer team to enter the prestigious Brandon Bean Soccer Tournament at Salpointe.

FASFA Frenzy—Jenny Miranda, \$500. to fund activities to help students and their families fill out the FASFA application for financial aid.

AVID T-shirts—Cody Downing, \$500. to purchase T-shirts with AVID's logo for each of the students in the program, promoting college preparation and attendance.

Catalina Hiking Club—Amanda Shufflebarger, \$500. to form a Hiking Club to expose students to the beauty of the desert environment that surrounds them. Several field trips around Tucson are planned.

"Hamilton" musical and U of A Visit—Ruth Mann, \$426. to cover transportation and lunch for Catalina students (30) attending "Hamilton". The "Hamilton" tickets were paid for by the Site Council.

All Staff Holiday Lunch—Lori Encinas, \$650. to contract with a taco truck for a faculty and staff holiday lunch to lift spirits, and promote fellowship.

Girls Basketball Equipment—Al Addleman, \$500. to purchase needed equipment, and pay summer basketball league fees.

Eegees Gift Cards—Tim Bridges (via Jenni Bond), \$360. for \$20 gift cards for 18 senior basketball and soccer players.

Health Materials—Dillion Cox, \$300. to buy various health related reading materials, posters, composition journals etc. for the health class.

Art Supplies—Marc Leviton, \$511. to buy various art materials for encaustics and casting (painting in wax).

Cheerleading Pom Poms and Shirts—Casey Richardson, \$500. to purchase pom poms and matching shirts for the cheerleaders.

Pumpkin Carving—Wendy McFeely, \$200. for English language learners to become familiar with Halloween customs.

Snapshot Assessments—Robin Farias, \$300. This software program gives assessments of English comprehension.

Photographs for Athletic Posters—Tim Bridges, \$325. to pay the photographer who shot photos of each of the seniors in their uniforms. An individualized poster was given to each senior athlete in fall sports.

Teacher Spirit T-shirts—Kelly Bristow, \$300. to buy inexpensive t-shirts to make into Trojan t-shirts for teachers to wear on Spirit Fridays.

Women's Soccer Equipment—Alfredo Mendoza (AKA Coach IX), \$500. to buy needed women's soccer equipment.

Amazing Field Trip

by Ruth Mann and
Cody Stocker Downing

Thirty Catalina High School students were provided with the opportunity to attend a guided tour of the University of Arizona, to enjoy a dining experience in the Student Union, and to attend the Broadway show "Hamilton"! Students were able to earn their tickets to the show by submitting essays responding to their choice of college essay prompts. It was a nice change of pace to see our students dressed so sharply, and so excited. We checked the permission slips and climbed onto the bus. The day started with a sing-along bus ride, with the kids playing the "Hamilton" soundtrack on the way to the U of A. We then received an outstanding guided tour around campus, where our students had lots of fun walking the campus, learning about what it would be like to be a college student, envisioning themselves a few years in the future walking this same walk. One student even remarked "I didn't think I wanted to go to college, but now I think I do." After learning the fight song and the story of "bear down", our students were thrilled about eating real food in the Student Union, where they received their choice of Papa John's or Chick-Fil-A. Without the support of the Foundation, we would have

had to eat sack lunches. Students enjoyed laughs as they dined, waiting for the show to begin.

It was extremely special to take students to a show like "Hamilton", as some of them might not otherwise have the opportunity to see such an amazing performance. The Catalina Site Council voted to approve purchasing tickets for the show, while the Catalina Foundation covered the cost of the bus and the food. Having support from both the Council and the Foundation made it possible to provide the unforgettable experience to the students. Some of them loved the singing and rapping, while others loved the awe-inspiring choreography. Some loved learning about the history of the American Revolution, while some resonated deeply with the story of an immigrant who became successful in America, despite making mistakes along the way.

With our spirits high, we headed back to the bus to start the trip back to Catalina. As a cherry on top of a perfect day, one of our students announced that she just received an email that she was accepted to the U of A! We made the announcement on the bus microphone and our students cheered for our newest college-bound student. This trip was amazing for many reasons. Students not only got to see themselves on a college campus in the future, but they also got to witness one of their own being accepted as a student

there. This was an important and powerful message that "you really can go to college if you want to." Thanks to the Site Council and the Catalina Foundation, students also received the message that "you do deserve nice opportunities, like a chance to see 'Hamilton!'" We pulled back into Catalina High School full of hope and ready to make big dreams happen.
